Supplement to the Turbo Diesel Register

# THE NUMBER ONE RESOURCE FOR RAM TURBO DIESEL OWNERS

Our quarterly magazine features cover-to-cover information from our writers and membership about the Ram Cummins and Ram 1500 EcoDiesel trucks.

If you or a friend are looking to buy a Ram Cummins Turbo Diesel, you should have one of our Buyer's Guides (available to members at our website).

## DO YOU NEED A COMPELLING REASON TO JOIN THE TDR?

Our membership group and writing staff have "been there, done that." We've accumulated millions of miles of knowledge and are more than willing to share our enthusiasm for this great truck. Just ask us.

- Ask us about the 12-valve engine's "killer dowel pin."
- Ask us about biodiesel fuels.
- Ask us about the Block-53 repair and which engines are affected.
- Ask us about the 24-valve engine's need for adequate fuel pressure.

- Ask us about the relationship of diesel fuel prices to crude oil.
- Ask us about DPFs, NACs, DOCs and the Cummins 6.7-liter engine's advantage for the new emissions requirements.
- Ask us about technical service bulletins, product recalls and software "flashes" that may apply to your truck.
- Ask us about lube oils, brake pads, antifreeze, performance boxes – the list is endless. The cost to the uninformed is much greater than it needs to be.

## SHOP OUR WAYMORE STAYGONE PRODUCTS

*Geno's Garage products that you'll like way more than the other stuff, and they stay gone from inventory a lot.*

Back in 2017, the Geno's Garage Board of Directors (BOD) was working on its strategy plan(s) for 2018. From high atop the bar stool at the local tavern came the idea for a new brand of parts: the Waymore Staygone line.

From that corporate wellness seminar, the BOD had heard that branding was the way to sell stuff. This is their attempt to reach a new customer base.

When the BOD was making its presentation to the other tavern bar members they commented, "The customers like our parts way more than the others' stuff, and they stay gone from inventory a lot."

Hence the new brand "Waymore Staygone." Seriously, the staff at Geno's Garage is pleased to showcase several parts that we have developed.

**SPLASH WHAM-O  
TAILGATE PROTECTOR, '09-'22**  
GG-SPLASH10 '10-'22, 3500/2500 & '09-'18 1500  
GG-SPLASH20 '19-'22, 1500 New Body Style

Protect the tailgate from dents and prevent water splashing with the Splash Wham-o tailgate protector. It is similar in texture to the factory plastic cover. We supply new mounting hardware to hold the cover in place.

**BORGESON REMAN  
STEERING BOX,  
'94-'02 4WD**

This Series 680 steering box provides variable assist, quicker turning ratio for 3.5 turns lock-to-lock, greater power assist and larger diameter bearings to support the Pitman shaft.

**AFTERMARKET  
DASHBOARD**

**\$259.95**  
DAD8-2

This is not a cover, it is a full replacement dashboard. It is made with a heavy-duty ABS plastic that is designed to help keep the sun from making it crack like the original dashboard. This Dodge Ram dash is more durable than the original OEM part. The dash cover is only available in black and we recommend that you paint it to match the interior color in your truck.

**\$125.00**  
All years & applications.

**GENO'S GARAGE DUROFOAM  
SEAT CUSHIONS, '94-'19**

We've addressed some of the shortcomings of the '94-'19 Ram Turbo Diesel OEM cushion by using a higher quality foam to make them more durable, raising the left side to match the right side and reinforcing the bottom.

Includes detailed installation instructions.

Visit our website for  
seat styles and applications.
